President

Property Tax Overview

Under Illinois law, property taxes are the primary means of funding local governments. Property taxes are developed from two components: the taxes levied by each local government taxing district, and the relative value of each taxable parcel in the boundaries of each taxing district.

Simply put, the Illinois property tax system divides up each local government taxing district's property tax levy over all

Frequently Asked Questions

Q: Is there a charge for a duplicate copy of my bill?

A: It can be obtained from the Treasurer's office for \$2.00 or it can be printed for free at KaneCountyTreasurer.org.

Q. How do I change the mailing address on my tax bill?

A. Each tax bill has a pre-printed form on the back, also the form can be downloaded from both the Treasurer's and Supervisor of Assessments' web site.

Q. Where can I make my real estate tax payments?

A. At numerous banks within Kane County, at the Treasurer's office, by mail, over the internet by credit card, and a 24-hour drive up drop box behind Building "A" at the Kane County Government Center in Geneva.

Q: What if I have further questions about property tax in Kane County?

A: For questions about:

- *Property Valuation*, contact your Township Assessor; a directory is at KaneCountyAssessments.org/Assessors.
- *Exemptions or Appeals*, call the County Assessment Office at (630) 208-3818 or visit KaneCountyAssessments.org.
- *Tax Rates or Tax Redemption*, call the Kane County Clerk at (630) 232-5964 or visit KaneCountyClerk.org.
- *Real Estate Tax Bills*, call the Kane County Treasurer at (630) 232-3565 or visit KaneCountyTreasurer.org.
- *Other Kane County issues*, visit www.CountyofKane.org.

parcels in the district, based on each parcel's proportionate assessed value as a percentage of the aggregate assessed property value in the district.

The Township Assessors and Kane County officials who administer the property tax code have developed this guide to help taxpayers better understand the property tax system.

Homestead Exemptions

Homestead Exemptions reduce the taxable Equalized Assessed Value (EAV) of a property by a specific amount prior to property taxes being calculated; the actual tax savings depends upon the tax rate for a specific property.

- Homestead exemptions are typically available for properties that are occupied by their owners or persons with legal or equitable interest as of January 1 of the taxable year.
- The owner or person with legal or equitable interest must also be legally liable for the payment of the property tax bill for that year, which will be payable in the following year.
- Homestead exemptions may also be available for units within cooperatives and qualified life-care facilities; contact the County Assessment Office for more information.

The **General Homestead Exemption** reduces a property's EAV by up to \$6,000 before the tax rate is applied.

- Applications are available at KaneCountyAssessments.org or by calling (630) 208-3818.
- In most cases, no annual reapplication is required after the initial approval.

The **Senior Citizen Homestead Exemption** reduces a property's EAV by up to \$5,000 before the tax rate is applied.

- To qualify, an owner must be 65 or older by December 31 of the tax assessment year.
- If a property is owned and occupied by a married couple, only one of the two owner-occupants must be 65.

Homestead Exemptions

- Applications are available at KaneCountyAssessments.org or by calling (630) 208-3818.
- In most cases, no annual reapplication is required after the initial approval.
- Any taxpayer receiving this exemption will be mailed an application for the Senior Assessment Freeze each year.

The **Senior Citizen Assessment Freeze Homestead Exemption** effectively freezes the EAV at a base year (the year prior to the first year's approval) preventing the net assessment from increasing.

- **This exemption does not freeze a property's taxes, only the taxable valuation of the property.**
- To qualify, a property must be the principal residence of the owner for the beginning of two consecutive years, and the owner must be 65 or older by December 31 of the tax assessment year and meet certain household income requirements.
- If owned and occupied by a married couple, only one of the two owner-occupants must be 65.
- The maximum annual household income for this exemption is \$55,000 prior to 2018; in 2018, it increases to \$65,000.
- Applications are available at KaneCountyAssessments.org or by calling (630) 208-3818.
- After the initial application is approved, the qualifying homeowners will be mailed a renewal form each subsequent year.
- **Annual reapplication is required to maintain this exemption.**
- If a property value falls below the base year for any reason other than a temporary change caused by "temporary irregularity", the new lower value will become the new base-year EAV.

Frequently Asked Questions

due. For more information, contact the County Clerk's Tax Redemption Department.

Q: *My mortgage company pays my taxes. Why did I get a bill?*

A: Most mortgage companies pay electronically, and do not require a bill. We suggest that you contact your mortgage company to confirm. A bill is mailed to you for your records. Many school districts, park districts, and libraries require you to show your tax bill to prove residency.

Q: *I didn't pay my taxes last year. How can I find out how much I owe?*

A: Call the Kane County Clerk and ask for an Estimate of Redemption; have your parcel number ready when you call.

Q: *I didn't live here last year. Why did I receive a tax bill for that year?*

A: The tax remains with the property regardless of ownership. To determine your liability for paying the tax, check your closing statement to see if the seller gave you credit, or contact your attorney.

Q: *I don't know my parcel index number (PIN); how can I get it?*

A: Your PIN is on your property tax bill or on your assessment notice. You can also get your PIN by contacting your township assessor, the County Assessment Office, or selecting "property search" at KaneCountyAssessments.org.

Q: *If I pay by mail how can I get a receipt?*

A: After the payment is processed, proof of payment is available on the Treasurer's web site at KaneCountyTreasurer.org.

Frequently Asked Questions

Q: *When can I file an assessment complaint with the Board of Review?*

A: By state law, assessment complaints for a township may be filed up to 30 days after a reassessment notice is published in a local newspaper. You can receive an e-mail notice of the publication of a township assessment roll by visiting KaneCountyAssessments.org, selecting the “subscribe” link, and entering your e-mail address.

Q: *How can I compare the assessed value of my property to the assessed values of similar homes in my area?*

A: You have the right to inspect the township assessor’s records, which contain assessed values as well as other information. You may inspect the records for any parcel of property, as well as the records for your own property, subject to reasonable regulations set forth by local officials.

Q: *Will I be notified if my assessment is going to be increased?*

A: By state law, notices of all assessment changes are published in a local newspaper. Also, if the Township Assessor changes your assessment, the County Supervisor of Assessments will mail you an additional notice via U.S. Mail sent to the same address where your tax bill is sent. Additionally, you can automatically receive e-mail notification of assessment roll publication by visiting us on the web at KaneCountyAssessments.org, selecting “subscribe”, and entering your e-mail address.

Q: *What will happen if I don’t pay my property taxes?*

A: Your taxes may be sold at the annual tax sale. If your taxes are sold, you will retain the right to redeem your property for two and one-half years if it is your principal dwelling. Other property must be redeemed within two years. To redeem it, you will have to pay costs and interest in addition to any tax

Homestead Exemptions

The **Homestead Improvement Exemption** reduces the EAV attributable to a new improvement to an existing residence of a property for four years based on the Fair Cash Value (up to \$75,000) of the improvement.

- To qualify, a property must be the principal residence of the owner, and have new improvements (such as an addition, patio, or deck) to the residence that increase the value of the property
- No application is required; the Township Assessor will certify the amount to the County Assessment Office when the new improvement is assessed for the first time.
- Questions on this exemption should be directed to the property’s Township Assessor.

There are several additional homestead exemptions:

- The **Returning Veterans’ Exemption** is a \$5,000 reduction in EAV for veteran homeowners for the first two years after they return from an armed conflict.
- The **Veterans with Disabilities Standard Exemption** is for qualifying homeowners with a service-connected disability rating of at least 30%; amounts vary by disability rating.
- The **Veterans with Disabilities Exemption** is an EAV reduction up to \$100,000 for veteran homeowners with service-connected disabilities who have Specially Adapted Housing.
- The **Persons with Disabilities Exemption** is a \$2,000 reduction in EAV for disabled homeowners.
- The **Natural Disaster Exemption** provides relief from increased EAVs due to the reconstruction of a home in certain circumstances after a natural disaster.

Contact the County Assessment Office at (630) 208-3818 for more information on these exemptions. Senior citizens may also obtain assistance by calling Senior Services of Aurora at (630) 897-4035 or Senior Services of Elgin at (847) 741-0404.

Homestead Exemptions

Each homestead exemption is designed to reduce the tax burden of a qualifying property by lowering the assessment upon which the tax bill is based. In Kane County, tax rates generally range from below 8% to higher than 11%, with a typical rate of about 9.5%; they can be even higher if a property is in a special-service area.

In the following example, a senior citizen homeowner lives in a house with a fair cash value of \$235,000; the homeowner is living off savings, and has an income that qualifies for the senior freeze with a base-year EAV of \$56,657. The benefits of the available homestead exemptions, based on a property tax rate of 9.5%, are:

	Without Exemptions	With Exemptions
Property Value	\$235,000	\$235,000
Level of Assessment	33.33%	33.33%
Equalized Assessed Value	\$78,326	\$78,326
Exemptions		
<i>General</i>		(\$6,000)
<i>Senior Citizen</i>		(\$5,000)
<i>Senior Freeze (\$56,657 base year)</i>		(\$21,659)
Net Valuation	\$78,326	\$45,667
Estimated Tax Rate	X 9.5%	X 9.5%
Tax Dollars Due	\$7,536	\$4,338
Total Tax Savings from exemptions: \$3,198 (42%)		

To get application forms or more information on homestead exemptions, call the Kane County Assessment Office at (630) 208-3818 or visit KaneCountyAssessments.org.

Frequently Asked Questions

- Kaneville Township Assessor's Office at (630) 557-2858 or visit www.kanevilletownship.com.
- Plato Township Assessor's Office at (847) 464-4221 or visit www.platotownship.com.
- Rutland Township Assessor's Office at (847) 428-5219 or visit www.rutlandtownshipassessor.com.

- Virgil Township Assessor's Office at (815) 827-3383 or visit www.virgiltownship.net.

Q: How can I file an assessment complaint with the Board of Review?

A: If you have spoken to your Township Assessor's office and still wish to formally appeal your assessment, you can file a complaint with the Kane County Board of Review within 30 days of your township's assessment notice being published in your local newspaper (a list of local newspapers is available at www.KaneCountyAssessments.org/Publications.html).

There are generally three bases for appealing an assessment:

- *Discrepancy in Physical Data* ("The property records show I have a 2,400-square-foot house, but my survey shows I have only 2,200 square feet.")
- *Valuation* ("The equalized assessed value is greater than 1/3 of my property's fair cash value").
- *Equity* ("My equalized assessed value is greater than comparable properties in my neighborhood.")

Please note that the state Property Tax Appeal Board has consistently ruled that the amount of taxes paid or percentage of change in value from one year to the next is not a valid basis for an appeal.

Frequently Asked Questions

Q: How is my property's assessment determined?

A: For most non-farm property, the Township Assessor estimates the fair cash value, and then develops an assessed value based on 33.33% of that fair cash value of the property as of January 1 of the assessment year, based on the three prior years of sales. The Supervisor of Assessments then equalizes all assessments to provide for uniform valuations in the County. Information about farm assessments can be obtained from the County Assessment Office.

Q: What should I do if I think my property is over-assessed?

A: First, discuss your assessment with the township assessor who developed the assessed valuation. You can contact your Township Assessor or visit the Township Assessor's web site:

- Aurora Township Assessor's Office at (630) 896-7792 or visit www.auroratownshipassessor.org.
- Batavia Township Assessor's Office at (630) 879-1323 or visit www.bataviatownship.com.

- Hampshire Township Assessor's Office at (847) 683-4480 or visit www.hampshiretownship.com.

Frequently Asked Questions

Q: Why did my tax bill go up?

A: Your taxes may be higher than they were last year for any or all of four general reasons:

- The local governments (such as municipalities and schools) in your area may have approved a higher tax levy than last year.
- While most properties in the county have a higher value than last year, the rate of change can be different. If your property's value increased at a faster rate than the average in your area, your relative tax burden will be greater than it was last year. If your property's value increased at a slower rate than the average change in your area, your relative tax burden will be less than it was last year.
- You may not be receiving all of the homestead exemptions for which your property is eligible.
- Other properties in your area may qualify for one or more exemptions for which you are not eligible.

Q: Does Kane County decide how much in property tax the local governments (such as schools and municipalities) in my area can levy?

A: No. Each local government makes this decision independently; Kane County has no authority to issue any property tax levy but its own.

Q: What change did Kane County make to its tax levy this year?

A: The 2016 extended levy for Kane County government was \$54,350,978.88; in 2017, it was \$54,956,072.50, an increase of 1.11%, to account for additional services provided to the \$342 million in property (an increase of 2.5%) being assessed for the first time.

Frequently Asked Questions

Q: Did my school district or municipality hold its property tax levy flat as compared to last year?

A: It varies by district. To see actual dollar amount of tax levies for each school district and municipality in the county, visit www.KaneCountyAssessments.org/PropertyTaxFAQ.pdf.

Q: When I get my tax bill, is it too late to file a complaint?

A: Yes, it is too late unless you have already taken your complaint to the Board of Review for that taxable year.

Q: What can I do to minimize my property tax burden?

A: Call the County Assessment Office to verify that you are receiving the exemptions for which you qualify. If you have questions about the rate charged by a specific taxing body, we suggest that you contact that taxing body. If you have specific questions about your assessed valuation, please contact your township assessor.

Q: Where does the property tax money come from?

A: It comes from all types of property, according to its proportional value of the total property in the County:

Frequently Asked Questions

Q: Where does the property tax money go?

A: The largest portion goes to the school districts; the remaining portions go to the other local governments in the County:

Q: How does the Tax Cap law apply to Kane County?

A: Kane County is under the Property Tax Extension Limitation Law which limits the total amount of property tax that can be levied by most local governments. Generally, the law limits the increase of a local government's tax levy by 5% or the rate of inflation (whichever is less) over the highest levy of the prior three years. The tax caps are not applicable to:

- Increases due to newly constructed property;
- Bonded indebtedness of a local government;
- Home Rule communities such as Algonquin, Aurora, Barrington Hills, Batavia, Carpentersville, East Dundee, Elgin, St. Charles, and West Dundee; and
- Increases approved by the voters through referenda.

This law provides that a local government's levy is developed independent of property values, and property taxes can rise or fall regardless of what happens to property values.
